

Jotun Installation Guide:

## Sketchup Mac

- 1. Download the addon.
- 2. Open SketchUp.
- 3. Open Extension Manager from the Window menu.

## 4. Click Install Extension.

		Extension Manager					
Extension Manager		Home	Manage 💶		Hej D. 👤	ŝ	
	Extension Name			Author	Enable   Disable		
D	Add Location Signed			SketchUp	Enabled	>	
	Dynamic Components Signed			SketchUp	Enabled	>	
	Sandbox Tools Signed			SketchUp	Enabled	>	
	Install Extension						
	Install Extension						

5. Select the downloaded Add-On (RBZ file) and click Open.

6. The Add-On should now be visible in the top menu bar under the Extensions tab.
