SUPERIOR EXTERIOR PROTECTION

INTRODUCING WONDERSCAPES, HUES OF SOUTHEAST ASIA.

New inspirations, new colours.

The ever-evolving world of colours keeps on giving. It holds boundless possibilities beyond our imagination—shaping our surroundings, evoking emotions, and defining beauty. It adds richness. It fuels life as we know it.

This year, we're paying homage to the enchanting hues of Southeast Asia. Born from a tapestry of peerless panoramas. Of countless cultures, customs and creeds. And now, the new hues of Jotun Exterior Colour Collection 2024. Wonderscapes that truly are a feast for the eyes and your home.

Every colour in this palette was meticulously curated by our team of colour leaders and developed into superior quality paint that is trusted globally, to beautify and pave the way for a new wave of colour inspiration.

From lush nature to breathtaking monuments and innovative crafts, let this colour collection be your guide in bringing your home to life for years to come.

Enter Wonderscapes, a collection of colours inspired by Southeast Asia's vivid tapestry. It was truly an honour to curate this year's exterior colour palette—a chance for us to celebrate this region through hues that grace its landscapes, cultures, and traditions.

Echoing our region's diverse beauty, this collection carries with it new possibilities and fresh, new hues for your space.
